Questions and Answers

OSDS Announcements

OSDS Announcements

- Optum working to remediate remaining transaction-related defects.
- OSDS will move to production when remediation is complete.

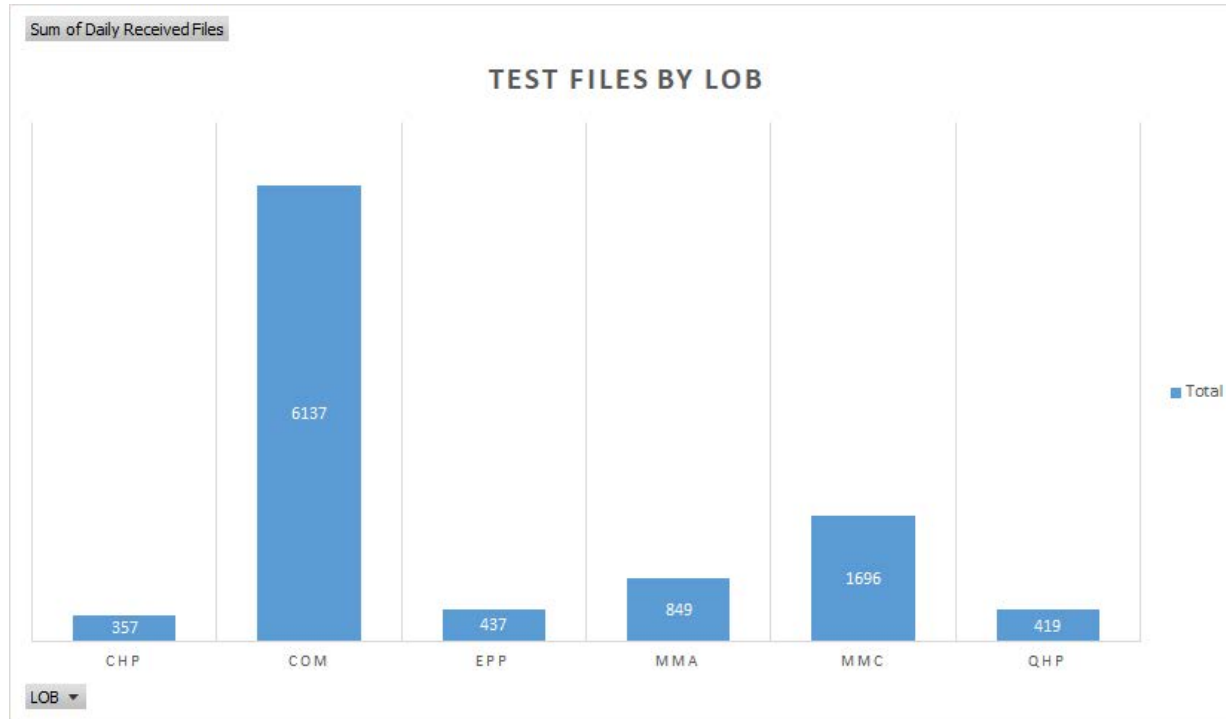

OSDS Submitter Testing

OSDS Submitter Testing: System Availability

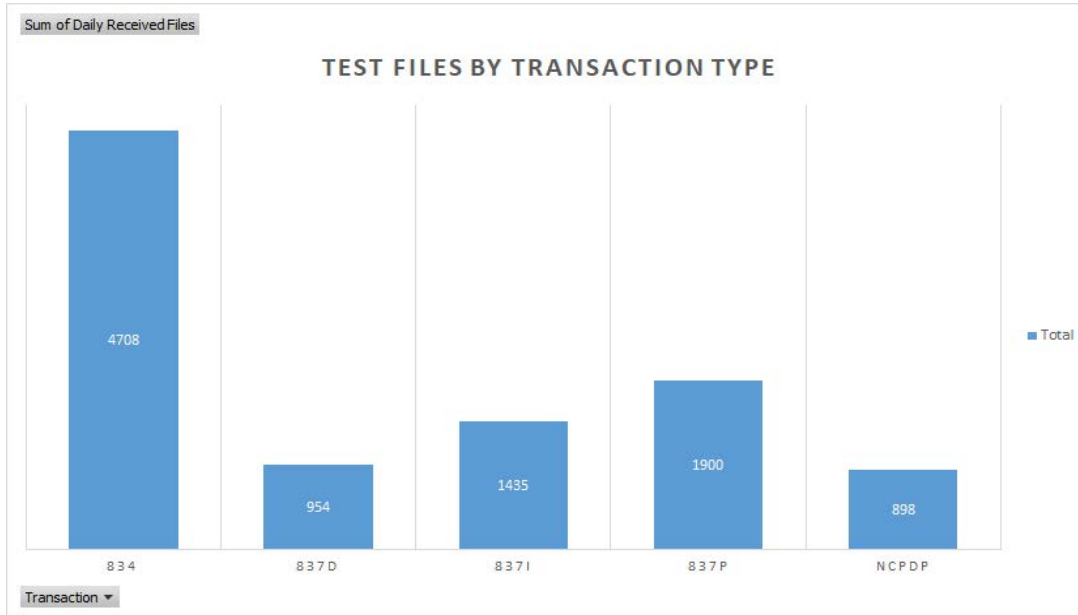

- System Availability: Monday – Friday 8AM – 6PM
- System Release Schedule: Weekly on Saturdays
- Release Notes: Distributed on Friday

OSDS Submitter Testing: Test Files by LOB

As of 10/20/2020

OSDS Submitter Testing: Test Files by Transaction Type

Transaction Type	Number of Submitters
834	32
837D	32
837I	40
837P	44
NCPDP	26

As of 10/20/2020

OSDS Submitter Testing: System Updates

- History data is available through cycle 2237 (July 8, 2020)
 - EIS submitters may submit adjustments and voids to their previously submitted EIS transactions
- Member validation is occurring
- Tier II transaction edits have been updated (as of 10/20/2020):
 - 60 837 (x298, x299, x300) edits (one since September)
 - 69 NCPDP edits (5 since September)
 - 15 834 x318 edits (2 since September)
- Known issues log and release notes are distributed weekly via SFTP. SFTP connection set-up is required to receive these documents.

OSDS Submitter: Questions

- Technical questions should be submitted to the Optum Help Desk
 - The role of the OSDS Help Desk is to resolve incidents as quickly and effectively as possible. All requests for assistance will be initiated through ServiceNow, either by phone (877) 363-5630 or by web submission: <https://optum.servicenow.com/itss2>
 - The OSDS Help Desk will be available to OSDS users 24 hours per day, seven days per week, 365 days per year – including all holidays.
- Policy, regulatory and compliance questions should be sent to apd.osds@health.ny.gov

OSDS Data Submitter Engagement

OSDS Production Certified Submitters

- All transactions are open to certification for production.
- Reminder:
 - Submitters indicated receiving Plan Identifier Errors.
 - Important that the correct Issuer-Submitter relationship is identified in the EDI registration form.
 - Please submit any changes to your EDI form to the Optum Help Desk.

Transaction	Number of Certified Submitters
834	15
837P	12
837I	13
837D	4
NCPDP	3

834 X318 Plan Membership Regulatory Reminders

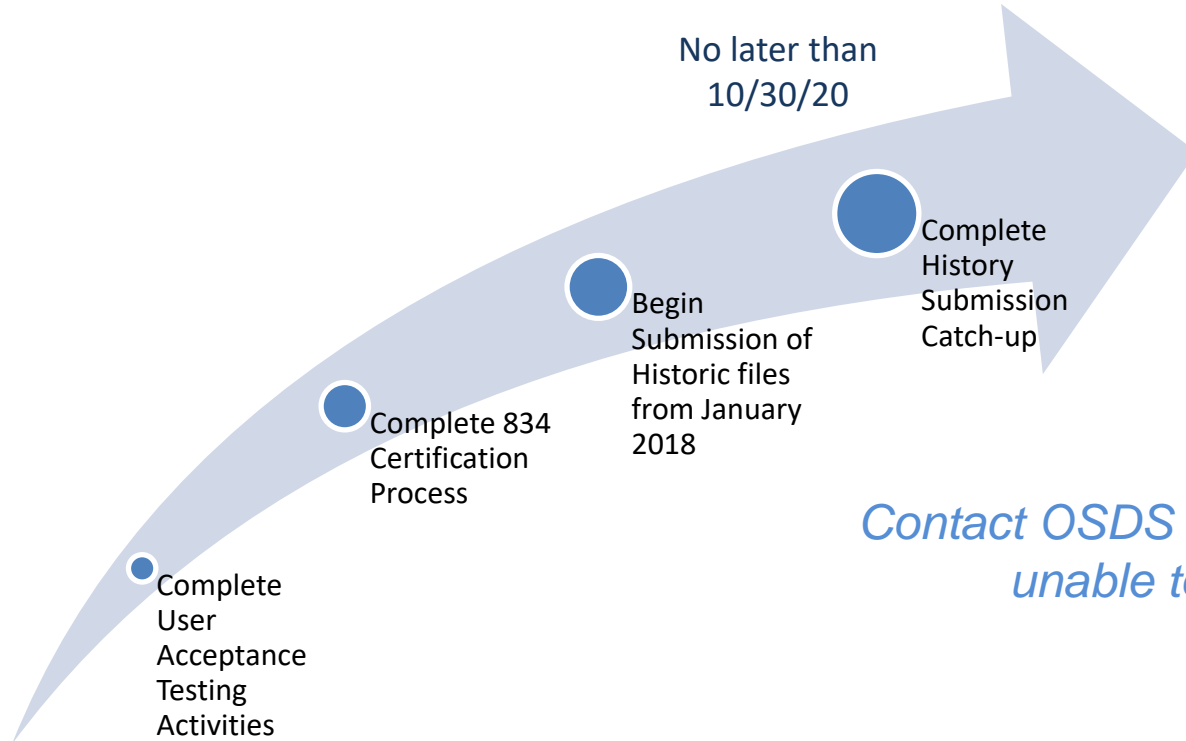

- NYS regulations require third-party health care payers to submit data for APD.
- DOH expects weekly submissions of data to OSDS.
- DOH working with organizations to remain in compliance.

Be sure to share information with TPA, as appropriate.

834 X318 Engagement Updates

- Thank you to all organizations that responded to engagement emails. We appreciate your hard work towards becoming certified.
- Optum Help Desk working to resolve tickets that are holding up certification.
- Engagement emails sent this week to organizations still behind on their 834 certifications.
 - Group that said they could comply with 10/15 certification due date.
 - Group that indicated they could not comply with 10/15 certification due date.

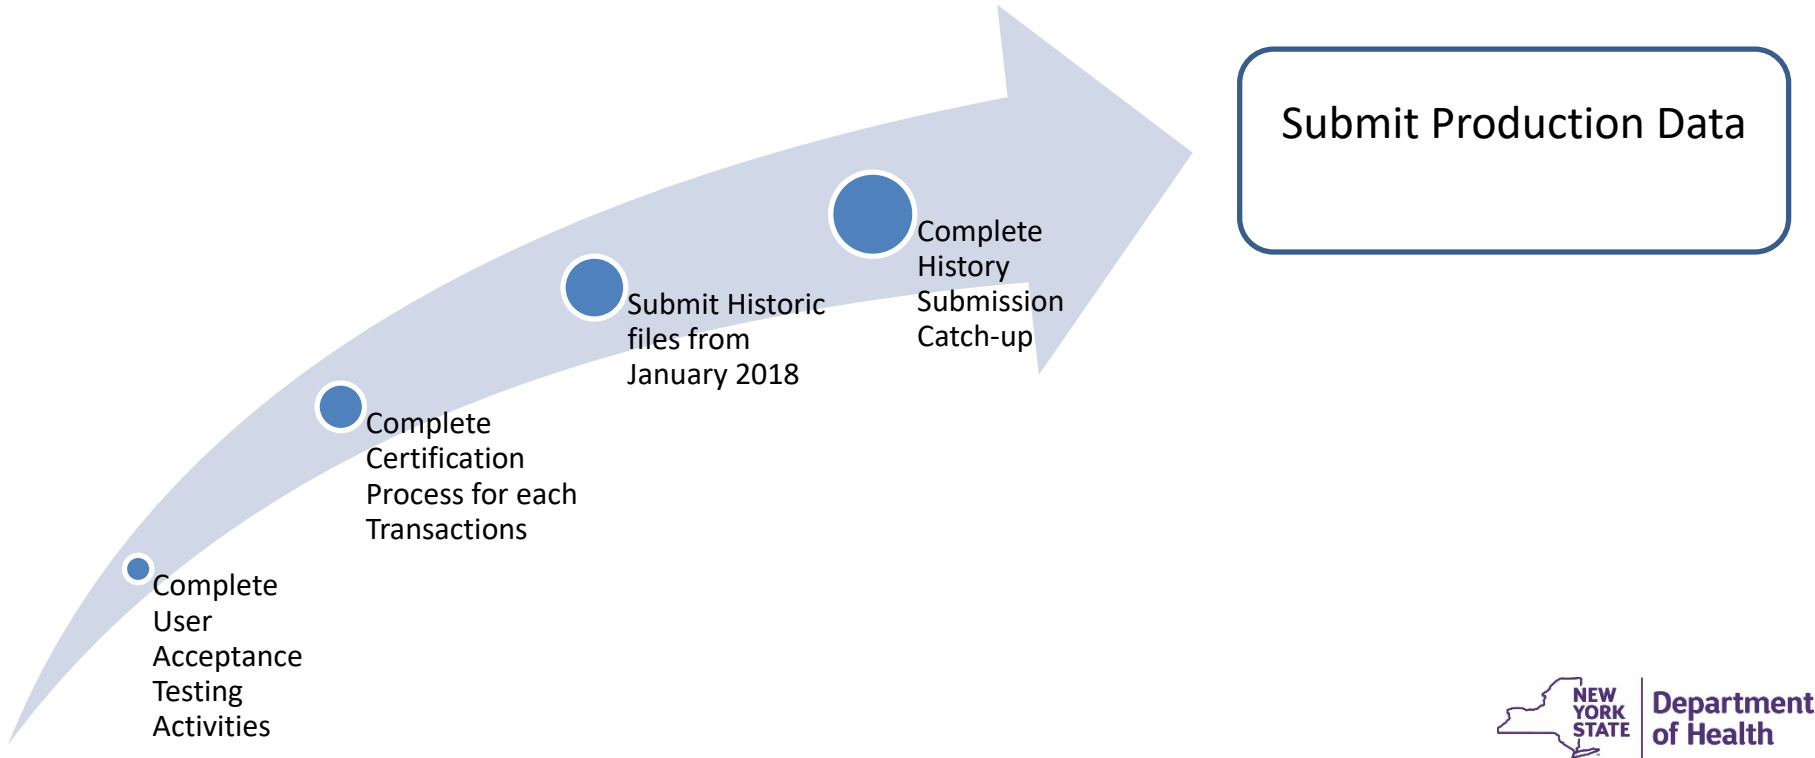

834 X318 Plan Membership

Submit 834 Weekly
Production Data
No later than 11/02/20

Contact OSDS Team if your organization is unable to meet this timeline.

837 & NCPDP Transaction

OSDS Production Submissions

OSDS Production Submissions: System Availability

- Production (834) Began: 8/3/2020
- System Availability: 24/7
- System Release Schedule: Bi-Weekly
 - Last production release was deployed on 10/17/2020

OSDS 834 Production Submissions

- Off-Exchange Commercial and Medicare Advantage Submitters need to have the 834 membership that aligns with encounter service dates accepted into the OSDS prior to encounter submissions.
- Once certified for production OSDS expects weekly production submissions
